

The upcoming Annual Meeting is an opportunity to elect new homeowners to our Board of Directors. It's an important process and we hope you will attend. A good group of residents have committed to serving the members of our community, but we need your vote to be successful.

Here is the list of homeowners with fresh ideas and innovative ways to preserve and protect our neighborhood:

Andrea Joy

- Resident for 18 years.
 - State licensed professional Realtor® for 17 years & State licensed Community Association Manager for 11 years.
 - Andrea says she wants to join our Board of Directors to explore ways to lower our monthly assessments while proving an open-and-honest exchange between the Board of Directors and our homeowners.
-

Ron Rostorfer

- Resident for 16 years.
 - Engineering degree from Purdue & MBA from University of Michigan.
 - Brings in-depth knowledge of contracts and procurement strategies.
 - Ron says he wants to join our Board of Directors to help get value in community management and all required services to enhance the value we all seek in our homes.
-

Brett Diaz

- Resident for 3 years.
- Runs his own marketing business and has an outdoor clothing brand.
- Brett says he wants to join our Board of Directors to help enhance the aesthetics of our community while working to improve some of the current vendor services.

If you can't attend the meeting in person but want to cast a vote for new Board members, then please make sure you designate a proxy that will vote on your behalf, or contact Andrea Joy for assistance at 954/600-8689 or andrea@joyfulfomes.com. Andrea will collect your proxy form in person - so please **DO NOT** mail it.

Thank you. Andrea, Ron and Brett are counting on your support.
